

The Economic Club of New York

Fellows Program

The Economic Club of New York (ECNY) Fellows Program is a customized year-long program that introduces rising executives with great promise to thoughtful discussions and debates on the complex issues of the day, ranging from pressing economic, social and political issues, public policy questions and corporate reporting issues to economic regulation to tech disruption, and much more. All Fellows must be sponsored by a Club Member in good standing.

The exclusive Fellows-only programming includes intimate events with prominent Executives who are members of the Club who share their personal business insights in an open-discussion format, virtual networking within the Fellows Class, and complimentary access to all virtual member events. Additional programming includes an Economic Jeopardy competition and a community volunteer opportunity. At the end of the program, the Fellows are recognized by the entire membership and will become a member of the Alumni Network with additional networking opportunities. Upon completion of the program, Fellows will possess many new insights and a broader network to expand their leadership impact. All Club events are virtual at this time we hope to return to hybrid Member events in the fall and staying consistent with past practices, Fellows are given the opportunity to ask the first question(s) to the Guest Speaker at the Club's Breakfast Series.
